Principal's Message

Dear Students, Parents, Teachers and Well-Wishers,

It gives me immense pleasure to present the Annual Academic Cum Activity Calendar for the session 2026–27. This calendar serves as a comprehensive guide to the academic, co-curricular, and enrichment activities planned throughout the year, enabling students, parents, and teachers to work together with clarity, purpose, and preparedness.

At our school, we believe that education extends far beyond textbooks and examinations. It is a continuous journey of intellectual growth, character building, creativity, and social responsibility. Our aim is to nurture confident, compassionate, and responsible citizens who are prepared to meet the challenges of an ever-evolving world. The activities outlined in this calendar have been thoughtfully designed to provide opportunities for learning, leadership, innovation, and self-expression. Along with academic excellence, we place equal emphasis on sports, arts, cultural activities, life skills, and value-based education to ensure the holistic development of every learner.

The integration of modern technology, experiential learning, and innovative teaching practices continues to strengthen our educational framework. Through this calendar, we seek to foster greater participation, better planning, and a vibrant school culture that celebrates achievement and growth.

I express my sincere gratitude to our dedicated teachers, supportive parents, School Management Committee, and all stakeholders whose cooperation and trust inspire us to strive for excellence every day. As we embark on another promising academic year, I encourage our students to embrace every opportunity with enthusiasm, curiosity, and determination. May this year be filled with meaningful learning experiences, remarkable achievements, and cherished memories!
